ABOUT CHUNKY BADGER

Making Learning to Draw Feel Like Play

At Chunky Badger, we believe every child has the potential to be a budding artist. Our books are designed for beginners and parents looking for creative, screen-free fun.

We don't just show you the finished picture; we guide you through the process. Our "6 Simple Steps" method breaks down complex subjects into easy-to-follow shapes. We provide plenty of space to practice, shade, and get creative right inside each book.

It's not just a book; it's an art adventure that builds confidence with every page turn!

OUR BOOKS

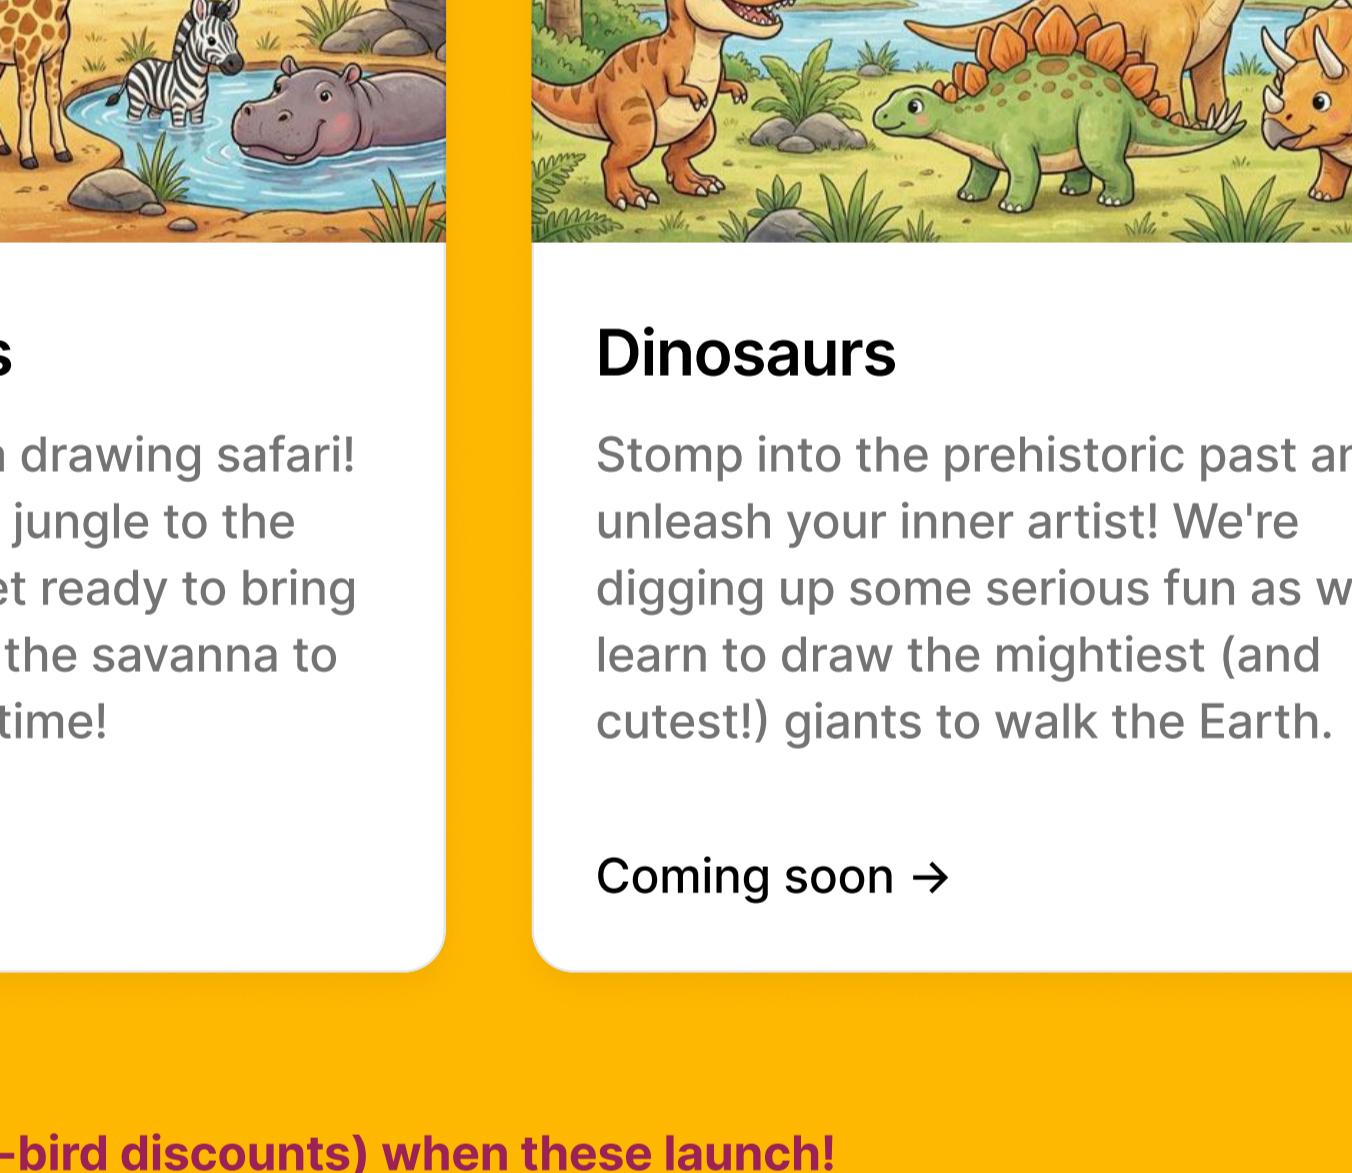

Available Now - [Learn to Draw: British Animals](#)

Inside you'll find:

- Woodland Creatures: From curious Foxes to cuddly Badgers.
- Farm Favourites: Playful Pigs, Sheep, and the majestic Highland Cow.
- Seaside Friends: Draw the perfect Puffin, Seagull, and even an Otter!

Why Parents Love It:

- Easy to Follow: Every animal is broken down into 6 visual steps—no reading required!
- All-in-One: Includes practice space and tips on how to start with basic shapes.
- Creative Freedom: Once the outline is done, we encourage kids to add colour to their masterpiece!

COMING SOON

THE ADVENTURE DOESN'T STOP HERE!

We are busy in the studio creating the next collection of "Learn to Draw" books. Keep your pencils sharp and look out for these exciting new titles coming soon!

Australian Animals

G'day, artist! Grab your pencils and get ready to hop, waddle, and climb your way through the Outback with our upcoming guide to drawing Australia's most iconic mates!

[Coming soon →](#)

African Animals

Pack your bags for a drawing safari! From the king of the jungle to the tallest of giraffes, get ready to bring the wild wonders of the savanna to life, one sketch at a time!

[Coming soon →](#)

Dinosaurs

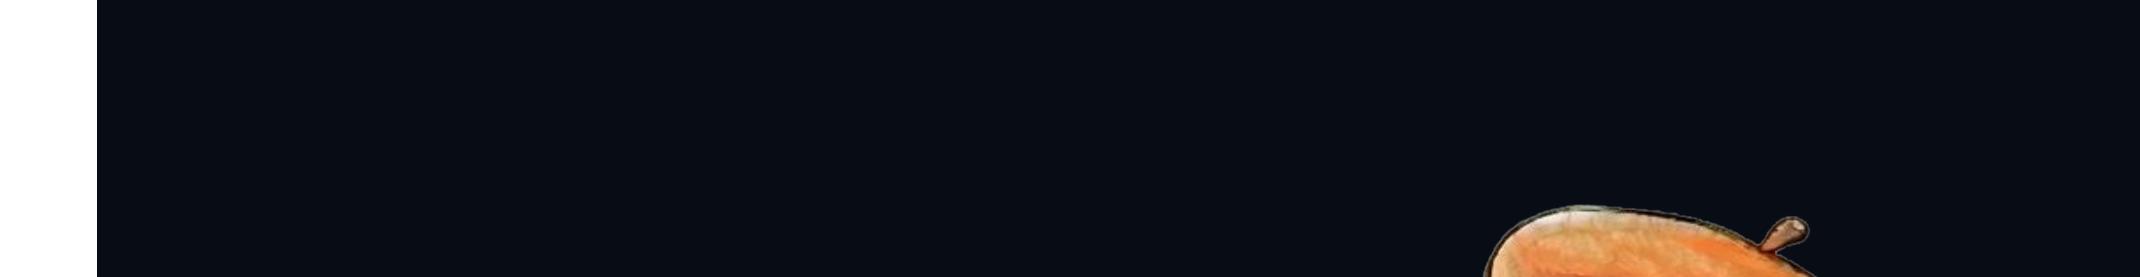

Stomp into the prehistoric past and unleash your inner artist! We're digging up some serious fun as we learn to draw the mightiest (and cutest!) giants to walk the Earth.
